From the Desk of Director

As we step into the New Year, let's harness the energy and enthusiasm to turn our dreams into reality. It's a chance to reflect on our journey, learn from our triumphs and setbacks, and chart a brighter course ahead. The year 2025 was a mixed bag of challenges and opportunities. While the delayed release of funds for State Training Policy Programmes tested our planning, it also opened doors for income-generating programmes with other agencies. I'm proud of the trust placed in our Institute by Administrative Training Institutes and state governments – we trained officials from Govt. of India, Haryana, Odisha, Bihar, and Nagaland. Let's build on this momentum! I'm confident 2026 will be a year of growth and excellence. To all faculty and staff, let's give it our best shot and make 2026 truly remarkable!
